THE ART OF PERFORMANCE

¹Free Driveaway Insurance is available to customers purchasing a new or Approved Used Land Rover or Jaguar from a Jaguar Land Rover Retailer and who are eligible for a quotation for Annual Insurance. Please refer to your insurance certificate for details on the duration of your Driveaway Insurance. Other vehicle makes will receive temporary Get Me Home Cover which expires at 23:59 hrs on the second day. Driveaway Insurance and Get Me Home Cover have some differences to Annual Insurance - for details please see www.jaguarcarinsurance.co.uk/coverdetails. ²If your insurer uses non-genuine parts which subsequently fail, they won't be covered under your manufacturer's warranty. (Research of UK motor insurers' policy wordings 2018). ³We'll cover your current insurer's cancellation fee up to the value of 10% of your Land Rover Insurance motor premium quote. For example, if your premium is £400, we'll pay up to £40. This offer cannot be applied after the policy has been purchased. Offer not available online. Conditions apply. We reserve the right to withdraw any offer at any time. The offer of insurance is subject to eligibility and underwriting criteria. All cover is subject to the terms and conditions of the policy, see the Policy Document at www.jaguarcarinsurance.co.uk/docs. **Tracker requirement.** For Free Driveaway Insurance and Get Me Home Cover: Vehicles valued at £50,000 or above require a vehicle tracking device. We accept Thatcham accredited Category 5 and 6 devices. This includes Jaguar Land Rover fitted In-Control Secure, which must be activated before the cover start date as stated on the insurance certificate. In-Control only is not sufficient, and a customer must upgrade to 'Secure' to be accepted. Customers who do not upgrade to active 'Secure' version but whose vehicle is valued from £50,000 up to £75,000 can still obtain Free Driveaway Insurance, but won't be covered for vehicle theft. Vehicles valued at £75,000+ without active 'secure' will be declined. For Annual Insurance: A tracking device may be required by the underwriter for annual insurance. This requirement may vary by the applicant's age, vehicle model, vehicle value and postcode.
